

Workforce Go and Acumatica: Better Together

Seamlessly connect your HR, payroll, and time tracking systems directly to your finance and operations workflows to create a single source of truth and streamline your operations.

What Sets Us Apart

Seamless bidirectional integration gives you the data you need in real time

One easy-to-use interface for both platforms saves time, no multiple logins needed

Self-service tools that empower and engage employees

6 phase implementation process to ensure easy adoption

Scalable and customizable to give you exactly the features you need to overcome your biggest business challenges

High-touch, responsive customer service with a single point of contact dedicated to your success

Award-Winning Integration

Partnered with Acumatica since 2017, Workforce Go's reputation for excellence speaks for itself.

Payroll on Us

Our commitment to innovation can be seen through programs like Payroll on Us. It leverages FICA tax savings to give you up to \$321 per employee, per year, potentially offsetting the cost of your ERP. Your employees get valuable health benefits to supplement their basic insurance plan and a 2% to 5% increase in take home pay.
