

AvidXchange for Acumatica

A smarter way to pay—built directly
into your AP workflow

Embedded Payments

AvidXchange is bringing payment automation to Acumatica, enabling a more seamless, embedded payment experience for today's AP teams. **Acumatica Accounts Payable Payments, powered by AvidXchange** delivers purpose-built automation validated by Acumatica and trusted by thousands of mid-market businesses.

The embedded experience reduces handoffs, improves visibility, and gives AP teams more control—without changing how they work or leaving the Acumatica platform.
